This is precisely the kind of lie, a fiat lie, which the Internet Court of Lies is being set up to handle, in hours, not days or months.

There is real science behind lying and it can be found in this article and my book: the science says there is only one way to control such lying and it was discovered already four hundred years ago: <https://medium.com/@rhtcmu/https-medium-com-rhtcmu-fiat-lies-are-genocide-on-the-human-race-a4d76b093530> @liescourt we need people interested in being moderators of public dialogue about lies.
